New Products and Special Offers

Fixed Reader

Symbol has extended its popular counter-top presentation scanner range with the new LS 9203 entry-level model. Available in twilight black only, the LS 9203 has the same 1500 scans per second omnidirectional performance as the LS 9208, but does without the rastering feature.

i2 Mobile Solutions

Multi-purpose Skate

FOURMI® is a revolution in the moving sector as it allows you to move loaded shelving & furniture in record time and with minimum of effort.

This clever tool became an essential ally to the major retailers in the UK & abroad but also shopfitters, building contractors and industries.

IMGR

Macs Warehouse Management System

Since its formation in 1990, MACS Software Limited has become a leading provider of both off the shelf and bespoke software solutions to small, medium & large enterprises in the field of manufacturing, distribution and logistics.

MACS Warehouse Management System

Westway High Bay Warehousing

Block G comprises four units of varying sizes and specification. A variety of eaves heights are offered within the properties from 29.3m (96.1 ft) to 20.5m (67.2 ft) and can be subdivided if required.

Westway

Product Highlights

Aluminium Belt Conveyor A8120 Series

The A8120 series is a medium duty conveyor powered by a 113 diameter motorised drum, belt widths from 280mm to 1230mm (other widths can be catered for). All conveyors in this series can be mounted on leg frames with conveyor feet or castors.

Advance Automated Systems Ltd.

Voice Recognition System Task-RF

"Solutions based on voice recognition technology can convey instructions and responses between your workforce and a host computer system, to revolutionise their working performance. Using a headset and a lightweight belt-mounted terminal, your workers can perform their duties entirely hands and eyes free, yielding a host of benefits. "

Chess Logistics Technology Ltd.
