Logismarket Services

Logismarket, one of the largest industrial directories in Europe, generates over five and a half million visits and more than 132,000 RFQs for the companies present in the directory. If you would like to become a part of one of the most visited internet directories, with a presence throughout all of Europe, fill out and send us the following [form](#) and we will contact you promptly to discuss price options.

Companies of the Week

[MasterMover International Limited](#)

Our core product is a range of compact pedestrian operated electric tug units, which eliminate manual handling, improve Health & Safety and increase productivity. These machines utilise a patented weight transfer method in order to gain the necessary traction for moving loads from 50kg to 64,000kg.

[Rentacrate Ltd.](#)

Rentacrate is the UK's largest independent provider of, crate rental, tote rental, food tray rental and total RTP solutions.

[Clark Door Limited](#)

Clark Door Limited are the UK market leader in industrial, special purpose doors. Clark Door designs: cold storage doors, clean room doors for the pharmaceutical & food industries, fire doors, hi-speed roll up doors, hazardous zone doors.

New Products and Special Offers

[Q67 Driven Conveyor System](#)

The driven conveyor system Q67 is designed for transportation of light items. The system comprises among other things roller conveyors, lineshaft driven rollers, curves, turntables, pushers, mill turners, strap conveyors and transfer units.

[Andrews Automation Limited](#)

[Medium, multi-purpose temporary structures](#)

With high eave heights these buildings can accommodate internal forklift operation comfortably. With spans in the 'medium' category extending to 25m they are ideal for the access and loading of large vehicles under cover.

[Aganto](#)

[Retrieval/Stacker Crane Conductor System](#)

It is specifically designed for use in AS/RS high bay warehouse applications. The extreme high demands of current supply systems are integrated into the efficient Pro-Ductor® design.

[Metreel Limited](#)

[Shrinkfilm](#)

All gauges, widths and slips available at very keen prices. Centre folded or single wound, please contact us with your requirements.

[Easypak](#)

Product Highlights

[Telescopic Drum Tipper](#)

The unit can pick up and tip various sized drums. The telescopic mast makes the mast short so that the unit can be transported through standard doorways.

[Safety Trolley Systems Ltd.](#)

[Supply Chain Recruitment](#)

This method combines an extensive search of our database with targeted advertising to generate extra candidate response. Advertised Selection is very effective when the skills of a candidate are paramount as opposed to industry or sector knowledge.

[Redwood Selection Ltd](#)
