## New Products and Special Offers

### [Complete Track and Trace](#)

Full traceability is available throughout the operational cycle and using secure web access. **The Traderman System allows your customers restricted access to the system.** This means they can view the status of their order, or levels of stock in the warehouse at anytime. This is accessed through a secure log-on via a standard web browser, so no additional hardware or software is required.

### [Spent Oil Container](#)

**Made of roto-moulded high-density polyethylene,** offering high mechanic and thermal resistance, high photometric resistance to UV rays and atmospheric agents. For these reasons, it is suitable for outdoor installation and can be fitted on any level surface of ground.

[Emiliana Serbatoi s.r.l.](#)

### [Electric Lift Truck](#)

Our complete range of electric pneumatic and cushion tired lift trucks deliver **controllable, programmable performance for the safe handling of different loads** such as glass, plastics, bricks, etc.

[Briggs Equipment UK Limited](#)

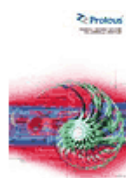

### [Infaltable dock shelter](#)

Stertil's 300 series combines an optimum seal with the greatest possible variety of applications. **The inflatable side and top seals provide a virtually airtight contact with the vehicles.** This type of shelter is thus ideal for temperature controlled warehouses.

## Product Highlights

### [Business Intelligence](#)

**Proteus® has extensive operational, financial and management reports and inbuilt report generators, including 'soft' stationery printing facilities,** which ensures that the wealth of information available with Proteus®, including the Demand Analysis information is available. This usually means that it is a rarity for us to have to write a bespoke report to provide key business information and the use of the Crystal Reports Builder enhances our offering still further.

[Proteus Software Ltd.](#)

### [Grounds Maintenance Machine](#)

- Professional ground maintenance in **all seasons.**
- Motor Performance: 4.4/6.2 kW.
- Working Width: 65-100 cm.
