**Companies of the Week**

[Viewlocity Inc.](#)

Viewlocity's Sense, Respond, and Measure approach allows organizations to overcome the

**challenges they face** because of distributed supply chain processes and outsourcing of non core business functions to contract service providers.

[Hyster Europe](#)

Since the 1930's when the company first began manufacturing forklifts, Hyster has gradually come to be recognised as a **leader in the materials handling industry**, and has been responsible for many ground breaking innovations in lift truck design and engineering.

[Total Warehouse Solutions.com](#)

**New Products and Special Offers**

[Self Adhesive Labelling Machine](#)

Product labelling is in itself a fairly simple process, stick labels on products. However, there are many occasions where the product needs to be presented to the machine in a specific manner, this is where our competition starts to struggle. The HS3000 self adhesive labelling machine is the best to **apply labels at high speeds onto DVD's and videos.**

[Axiom GB Ltd.](#)

[Stack Nest Container](#)

**Technical details**

- Size: 400 x 300mm, 600 x 400mm, 800 x 400mm
- Different heights
- Open handles
- Lids with fastening (also foldable)

[Schoeller Arca Systems GmbH](#)

[Cold Storage Doors](#)

Our bi-parting Coldstorage door **is widely utilised within the frozen goods distribution industry.** This example is both all steel and fire rated to maintain the integrity of the compartment for up to two hours.

[Clark Door Limited](#)

[Visidot - Visual Identification Systems](#)

Visidot provides a **robust, cost-effective data capture and traceability solution.** Based on high performance machine-vision technology, Visidot can accurately capture hundreds of assets in a single read and works in environments where other data capture technologies under perform.

[ImageID](#)

**Product Highlights**

TOTAL  
WAREHOUSE  
SOLUTIONS.COM

TWS are **one of the UK's leading distributors of innovative storage systems**, with

extensive knowledge and experience in working with all the major manufacturers' storage systems.

## Pallet Range

Constructed in either hygienic plastic or aluminium, they are available in standard sizes or can be made to measure to your own exact requirements. They are **incredibly strong and boast a load bearing capacity of 800 lbs per square metre**; at the same time they are very light and, therefore, easy to handle and store.

[Stacarac \(UK\) Ltd.](#)

---

## Shelters

The main characteristics of the Kopron shelters are that **they are self supporting**, they do not need any reinforcements touching the floor, therefore they do not disturb the circulation of vehicles or the loading and unloading process.
