New Products and Special Offers

- Diesel/Gas 4-wheel IC Counterbalance Truck

1.5 - 5.0 tonnes at 500 mm load centre lift capacity, Nissan LPG or Isuzu diesel engines. 10,000 running hours between major overhauls. Driver comfort and high quality international components with supplier approved installation are central to the design...

[Samuk Lift Trucks Ltd.](#)

- Supply Chain Planning

The purpose of SCP is to provide **accurate demand forecasts, optimized replenishment plans, realistic production plans** and monitoring of the flow of goods from the one end of the supply chain to the other. This ensures that goods are always at the right place at the right time and in the right quantity.

[Synchron UK Limited](#)

- Laser Dot Matrix Printer

The DDC3 Dot Matrix printer **sets new standards of reliability and versatility**. Using a proprietary seven-laser tube system, the DDC3 offers unrivalled speed and creates an indelible, permanent mark onto a variety of substrates that include paper, cartons, plastics, glass and many more.

[Domino UK Ltd](#)

- Rapid Rolling Door

After 5 years of investigation, Nergeco launched a new door: the AGRO 5. We developed a **revolutionary new multicomposite material and manufacturing process** for each critical part of the door, which are then ready to assemble. This new technology represents a considerable advance in anti-rust, start-up, durability, and impact technologies.

Product Highlights

- Compact, air cushioned seat

The 254 Air suspension seat **utilises KABs low profile 50mm suspension unit** with the added benefit of an intergrated 12-volt air compressor for vehicles without an air supply.

[Tek Seating](#)

- Aluminum Dock Bridges

Has a large surface and a **hydraulic piston that supports 80% of the total weight**. The ramp can be fixed or mounted to an iron plate that allows for lateral movement. Security locks the leveller in a vertical resting position for increased safety. The ramp moves laterally with ball bearings.
