If you would like to become a part of one of the **most visited internet directories**, with a presence throughout all of Europe, fill out and send us the following [form](#)

and we will contact you promptly to discuss price options.

Companies of the Week**Openda Ltd.**

Openda is the **complete, integrated solution for the supply chain industry** that manages the "whole picture". Unlike most other distribution systems, Openda is NOT an accounts system with additions. We are able to cover ALL areas with a depth of knowledge and understanding that is second to none.

Mar-Key Marquees

Mar-key Industrial has become a market and **world leader in respect to its innovative designs and constructions**. This can be aptly demonstrated with the recent introduction of a steel panelled roofing system and designed to aid both security and structural uniformity.

Clark Door Limited

Clark Door Limited are the **UK market leader in industrial, special purpose doors**. Clark Door designs: Cold Storage Doors / Clean Room Doors for the pharmaceutical & food industries / Fire Doors / Hi-speed roll up doors / Hazardous Zone Doors.

New Products and Special Offers**- Tip-up Bucket**

This bucket is **built in steel tubular frames and sheeting** and its size and the size of its wheels depends on its maximum load capacity. It is mainly used in environments where grinders, lathes and presses to recover and transport the manufacturing wastes. Its waterproof inner part avoids liquids leaking off during its handling.

[Ansaloni Contenitori s.r.l.](#)

**- Load Indication System**

The RAVAS-1 is the **ideal entry model for anyone who wants to experience the advantages of mobile weighing**. At 890 EUR (advisory list price) the RAVAS-1 offers a weight indication in 5 kg steps, with a tolerance of + 20 kg. The RAVAS-1 is based on a completely new, patented technical concept.

[Nova Weigh Ltd.](#)
