and we will contact you promptly to discuss price options.

Companies of the Week

[Sartorius AG](#)

The Sartorius Group is an internationally leading laboratory and process technology provider covering the segments of biotechnology and

mechatronics. The company manufactures **equipment and systems featuring weighing, measurement and automation technology for laboratory and industrial applications, as well as hydrodynamic bearings.**

[GO PACK](#)

GO PACK has achieved **excellent positioning in the national and international food packaging market** thanks to the company's notable experience and

personalised service. This is only possible due to the dynamic structure inherent to small and medium sized companies.

[Hand Held Products UK](#)

Established in 1972, Hand Held Products is a **leading manufacturer of data collection and communication solutions**

designed specifically for mobile, in-premise, and transaction processing applications.

New Products and Special Offers

[Electric Multidirectional Sideloader](#)

Hubtex designed the series 2005 multidirectional sideloader with **wide, low profile tyres and six-point ground contact for inside and outside applications on surfaces such as tar macadam.** The unique combination of two-piece articulating chassis and twin oscillating tandem load wheels ensure that ground forces are minimised and evenly distributed.

[Hubtex \(UK\) Ltd](#)

[Bespoke Mesh Cages](#)

For easy access loading as shown half drop down front gates for carrying awkward objects. Clearly Impacta Ltd have a diverse range of skills and products to offer customers. Full in-house design facilities using 3D layering CAD (Auto CAD, VectorWorks, Catia) are employed. Many of our cutting and assembly machines are CNC controlled and our experienced staff are always on hand for helpful advice and service to our customers.

[Impacta Ltd.](#)

[Pneumatic Arm Manipulator](#)

Execution in fixed position or on self bearing fork liftable base.

- Max capacity 600kg
- Max work radius 3.2m
- Max vertical stroke 2.1m

[Manibo s.r.l.](#)

[L Shaped Dock Bumpers](#)

Standard size 'L' shaped Nytrex™ Dock Bumpers in SAFETY YELLOW. **These fit to existing bolts eliminating the need for expensive new drilling into the dock concrete.** Introduced over 2 years ago at a Safeway, 24 hour, 7 day loading/unloading operation, the all new Oakland Nytrex Dock Bumpers are proving to be the most durable dock bumpers on the market.

[Nytrex Worldwide Products Ltd.](#)
